FULL CIRCLE

VISION OF THE PROJECT

The Full Circle project aimed to restore and preserve the cultural heritage and socio-cultural identity of the de-occupied villages of Chernihiv Oblast. It involved creating a photo book that reflected the diversity and cultural heritage of rural communities through photographs, stories, and reportage. The project sought to raise awareness of the importance of rural communities in cultural and societal development and to promote the preservation and development of their cultural heritage.

MEET THE KEY PARTNER

The Tuguezer is Open -Minded Community that cultivates volunteering among indifferent people, turning a joint solution to problems into a common, useful and interesting experience. The main component of the Repair Together is a combination of useful free work for the benefit of society with cultural activity, often in non-standard manifestations.
