

KRYVYI RIH: CULTURAL HERITAGE

VISION OF THE PROJECT

The project aimed to promote the preservation and renewal of the cultural and industrial heritage of Kryvyi Rih. It focused on creating intersectoral cooperation between architects, urbanists, artists, historians, and representatives of civil society to develop scenarios for restoring the city, revitalising its industrial heritage, and preserving its unique cultural identity.

MEET THE KEY PARTNER

Institute for the Development of Kryvyi Rih (IRKR) is a dynamic and community-oriented non-profit organization. Its vision is to promote sustainable development and improve the quality of life of the residents of Kryvyi Rih and its surrounding areas, creating positive changes through various initiatives. With the focus on solving social, economic and cultural challenges in the region, IRRK cooperates with local communities, government agencies, enterprises and interested parties, conducting research, supporting changes and implementing innovative projects.

The organization seeks to support local groups, to promote education and development of skills, to support cultural initiatives. Due to this multifaceted approach, the IRRK plays an important role in shaping a sustainable and inclusive future for Kryvyi Rih. One of the main projects of the IRRK is the development of the Krivoy Rog Art Center (KRCC). In recent years, IRRK has
