

# TOUR OF THE INTERACTIVE SHOW-PERFORMANCE OF ART THERAPY "MARIUPOL #NADIYA\_NA\_SVITANOK"

## VISION OF THE PROJECT

The main goal of the tour of the performance "Mariupol#nadiya\_na\_svitanok" was to draw the public's attention to the current issues of Ukraine and its citizens. Using the example of the story of the play, the plot of which unfolded in the shelter of the Azovstal plant in the city of Mariupol, it directed the audience's attention to the importance of restoring the psycho-emotional state of Ukrainians as the basis for the future reconstruction of the cities, as the homes of citizens who were then scattered all over the world. Additionally, this tour aimed to motivate Ukrainians who were in Spain and Poland at the time to return to Ukraine for its further reconstruction.

## MEET THE KEY PARTNER

The Khmelnytskyi Regional Academic Music and Drama Theater named after M. Starytskyi was founded in 1931. Since then, it has been working in the cultural sector and is currently the only professional music-drama theater in the entire Khmelnytskyi region.

Every year, the theater releases from 6 to 8 premieres of plays of different genres and different themes. The repertoire includes dramatic, music-dramatic, choreographic performances, performances for the chamber stage and children's performances.
