

NEFORMAT MUSIC UNITY

Vision of the project

"Neformat Music Unity: Cultural Construction" is a one-day conference in Kyiv, which is a logical continuation of the first conference in the niche of underground and indie music "Neformat Music Unity: Movement Despite the War", which was held as part of the ZMINA 2.0 program. Subgrants for cultural projects. The conference was held in a hybrid format: offline with online broadcast.

The event aimed to bring together music sector professionals, to become a platform for discussions, exchange of experience, and discussion of pressing issues in the sector and post-war recovery.
