ГРОМАДСЬКА ТОЛОКА

Екологічна акція з впорядкування території Залу камерної та органної музики та висаджування рослин на ділянці із залученням громадськості міста.

Що ми зробили:

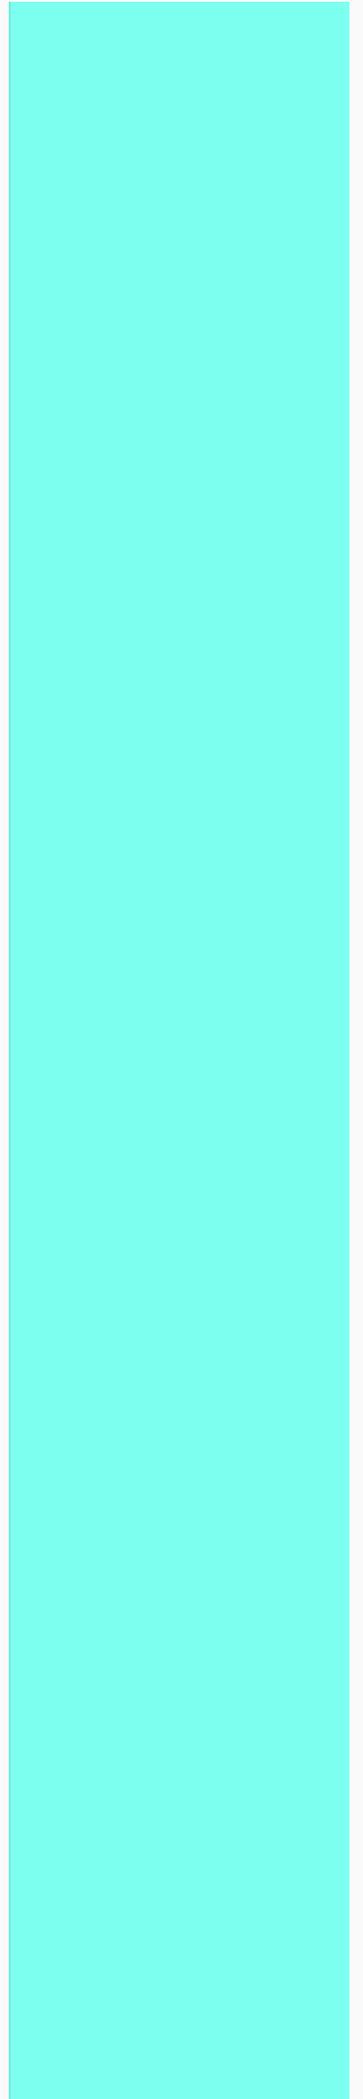

- зібрали команду волонтерів та однодумців;
- розділили територію на зони та розподілили обов'язки по благоустрою;
- прибрали територію;
- підготували ґрунт;
- висадили багаторічні рослини вертикального озеленення;
- поспілкувались про актуальність ідеї «Готичного саду» для громади Рівного;
- пригостили учасників толоки запашним трав'яним часєм;
- провели опитування щодо відгуків про подію;
- зібрали ідеї та побажання присутніх щодо проєкту.
